By proceeding with any procedures or treatments recommended during the teleconsultation, you are giving your consent for the teleconsultation. You acknowledge that the teleconsultation has limitations compared to an in-person examination, including the inability to physically examine your animal. You understand that the teleconsultation is not a substitute for an in-person examination, and that the veterinarian may recommend that you seek in-person care if it is necessary for your animal's health. You acknowledge that if you choose to proceed with any procedures or treatments recommended during the teleconsultation, you are doing so at your own risk. You have had the opportunity to ask questions and have

had your questions answered to your satisfaction. By proceeding with any procedures or treatments recommended during the teleconsultation, you are acknowledging that you have been fully informed of the risks and limitations of this type of consultation.
